MEDICAL

PRODUCT CATALOGUE

EXPERIENCE THE POWER OF OBAGI

With a legacy of over 35 years, of science and innovation, we are a complete skincare company, designing transformational products that promote skin health — not just today but for many more tomorrows, too.

Obagi develops scientifically backed, clinically tested formulations to reveal healthy, future-facing skin. Our products are designed to restore skin’s natural radiance by visibly improving skin tone and texture and diminishing the appearance of premature ageing, photodamage, acne, and sun damage.

Obagi has pioneered many skincare advances, including being the first medical skincare brand to design their clinical research protocols to cover all six skin types across the Fitzpatrick skin spectrum.

THE FITZPATRICK SCALE

						
	TYPE I	TYPE II	TYPE III	TYPE IV	TYPE V	TYPE VI
BEFORE SUN	Ivory	Fair or pale	Fair to beige, with golden undertones	Olive or light brown	Dark brown	Deeply pigmented dark brown to darkest brown
AFTER SUN	Always freckles, always burns/peels, never tans	Usually freckles, often burns/peels, rarely tans	Might freckle, burns on occasion, sometimes tans	Doesn't really freckle, rarely burns, often tans	Rarely freckles, almost never burns, always tans	Never freckles, never burns, always tans

NU-DERM® TRANSFORMATIONAL PRODUCTS

The Nu-Derm Systems help transform the skin's appearance by reducing dark spots, revealing younger, healthier-looking skin.

Obagi Skin Transformation Systems are ideal for:

- Age spots
- Rough skin
- Fine lines and wrinkles
- Laxity
- Sallowness (yellowish complexion)
- Hyperpigmentation (discolouration)

"[I] have used the Obagi Nu-Derm skin care system for 17 years, and I have not found any other system that is comparable to the excellent results for rejuvenating and maintaining healthy skin."*

JODY COMSTOCK, MD
FOUNDER/PHYSICIAN: SKIN SPECTRUM

"I really didn't like the texture of my skin, my pore size, and I had a lot of hyperpigmentation. I was a little intimidated to have to use so many products and have to buy into some sort of system. I was skeptical. But all I can say is, 'Wow, what a transformation!'"

PAIGE

* The safety and effectiveness of the Nu-Derm System beyond 24 weeks of use have not been established.

OBAGI NU-DERM FX SYSTEM

System packaging | Individual packaging

System packaging | Individual packaging

System packaging | Individual packaging

System packaging | Individual packaging

System packaging | Individual packaging

System packaging | Individual packaging

Gentle Cleanser | 200 mL
NORMAL TO DRY

Mild facial cleanser that gently removes impurities, oil, and makeup to leave skin clean and fresh.

AMOUNT: PEA-SIZE AM PM

Lather with water and apply evenly to skin. Gently massage, rinse clean, and follow with Toner.

KEY INGREDIENTS

Oat Amino Acids, Glycerin, Aloe, Apricot Kernel Oil, Panthenol, Sage Leaf Extract, Borago Officinalis Extract

Foaming Gel | 200 mL
NORMAL TO OILY

Gel-based cleanser designed to cleanse pores and remove makeup, dirt, and excess oil, leaving your skin feeling clean and fresh.

AMOUNT: PEA-SIZE AM PM

Lather with water and apply evenly to skin. Gently massage, rinse clean, and follow with Toner.

KEY INGREDIENTS

Oat Amino Acids, Aloe, Alfalfa Extract, Borago Officinalis Extract, Chamomile Extract

Toner | 200 mL

Alcohol-free, non-drying toner that is designed to balance skin’s natural pH.

AMOUNT: 5-7 DROPS AM PM

Dispense 5-7 drops onto cotton pad or hands. Apply evenly to freshly cleansed skin. Gently massage and follow with Clear.

KEY INGREDIENTS

Witch Hazel, Aloe

Clear Fx† | 57 g

Skin-brightening cream formulated with arbutin helps improve the look of the skin for an even, healthy-looking complexion.

AMOUNT: ½ GRAM* AM PM

Apply evenly to skin and feather onto neck or as directed by your licensed provider. Allow to absorb and follow with Exfoderm or Exfoderm Forte.

KEY INGREDIENTS

Arbutin, Lactic Acid‡

Contains sodium metabisulfite, a sulfite that may cause allergic-type reactions, including anaphylactic symptoms and life-threatening or less severe asthmatic episodes in certain susceptible people. The overall prevalence of sulfite sensitivity in the general population is unknown and probably low. Sulfite sensitivity is seen more frequently in asthmatic than in non-asthmatic people.

*Standard protocol, at the recommendation of your skincare professional

‡ **Sunburn Alert:** This product contains an alpha hydroxy acid (AHA) that may increase your skin’s sensitivity to the sun and particularly the possibility of sunburn. Use a sunscreen, wear protective clothing, and limit sun exposure while using this product and for a week afterward.

Exfoderm | 57 g
NORMAL TO DRY

Lightweight lotion that helps exfoliate the top layer of the skin, removing dull, old skin while revealing new skin for a brighter, more radiant complexion.

AMOUNT: ½ GRAM* AM PM

Apply evenly to skin and feather onto neck. Allow to absorb and follow with next recommended product.

KEY INGREDIENT

Phytic Acid

Exfoderm Forte | 57 g
NORMAL TO OILY

Lightweight lotion with AHAs† helps exfoliate the old, dulling top layer of the skin for a noticeably smoother, brighter complexion.

AMOUNT: ½ GRAM* AM PM

Apply evenly to skin and feather onto neck. Allow to absorb and follow with next recommended product.

KEY INGREDIENTS

Glycolic Acid‡, Lactic Acid‡

* Please see Important Safety Information for Obagi Nu-Derm products at the end of this brochure and full prescribing information at <https://www.obagi.com/sites/default/files/PI/NuDerm-Clear-Blender-Sunfader-PI.pdf>.

OBAGI NU-DERM PRODUCTS

System packaging | Individual packaging

Individual packaging

System packaging | Individual packaging

VITAMIN A PRODUCTS

Blend Fx† | 57 g

Gentle formula with arbutin and antioxidants helps to clarify and brighten skin.

AMOUNT: ½ GRAM* PM

Apply evenly to skin and feather onto neck. Allow to absorb and follow with next recommended product.

KEY INGREDIENTS

Arbutin, Glycerin, Vitamin E, Vitamin C, Lactic Acid‡

Hydrate | 48 g

Non-comedogenic formula provides eight-hour moisture protection. Designed for all skin types.

AMOUNT: AS NEEDED AM PM

Use daily or as needed. Apply evenly to skin and feather onto neck. Allow to absorb and follow with next recommended product.

KEY INGREDIENTS

Hydromanil (derived from Tara Tree Seed), Shea Butter, Mango Butter, Avocado Oil, Glycerin

Sun Shield Matte Broad Spectrum SPF 50 | 85 g

UVB absorption and UVA protection in an elegant, matte finish that is non-comedogenic and dermatologist-tested. Sheer and fragrance-free for all skin types.

AMOUNT: AS NEEDED AM

Apply liberally to skin at least 30 minutes before any sun exposure.

KEY INGREDIENTS

System: 10% Homosalate, 7.5% Ethylhexyl Methoxycinnamate, 5% Zinc Oxide, 2.8% Titanium Dioxide Individual: 16.5% Zinc Oxide, 10% Homosalate, 5% Octisalate

Retinol 0.5 | 28 g

Gradually releases retinol to gently refine the appearance of skin texture for a smoother-looking complexion.

AMOUNT: ½ GRAM PM

Apply evenly to skin and feather onto neck. Allow to absorb and follow with an Obagi moisturiser if needed.

KEY INGREDIENTS

Entrapped Retinol, Shea Butter, Chamomile, Dipotassium Glycyrrhizate (Licorice Extract), Calendula Extract

Contains sodium metabisulfite, a sulfite that may cause allergic-type reactions, including anaphylactic symptoms and life-threatening or less severe asthmatic episodes in certain susceptible people. The overall prevalence of sulfite sensitivity in the general population is unknown and probably low. Sulfite sensitivity is seen more frequently in asthmatic than in non-asthmatic people.

*Standard protocol, at the recommendation of your skincare professional

‡ **Sunburn Alert:** This product contains an alpha hydroxy acid (AHA) that may increase your skin's sensitivity to the sun and particularly the possibility of sunburn. Use a sunscreen, wear protective clothing, and limit sun exposure while using this product and for a week afterward.

*Valid prescription required. Please see Important Safety Information for tretinoin cream and tretinoin gel at the end of this brochure. Your skin is a marker of your past.
Of all your laughs — but also all your tears.
Of your suntans — and your sunburns.
Of your exposure to life.

But what if your skin said more about your future than it said about your past?
What if skin care wasn’t about “correcting” or even “preventing” life?
What if, instead, it was about unleashing your skin’s full potential?

Obagi is the complete skin care company, designing transformational products that promote skin health — not just today but for many more tomorrows, too.

It’s all about developing scientifically backed, clinical quality formulations to promote healthy, future-facing skin.

Because just like the people who use our products, we’re not interested in looking backward.

We’re proud of the category we helped create. And we’re eager to propel it forward.

That’s why we’re leading the future of skincare — and a community of future-facing customers.

CLENZIDERM M.D.® TRANSFORMATIONAL PRODUCTS

Daily Care Foaming
Cleanser | 118 mL

Light, foaming acne cleanser with 2% salicylic acid helps unclog pores and wash away dead skin cells and impurities. Cooling menthol leaves skin feeling refreshed.

AMOUNT: 5 PENCE AM PM

Lather with water and apply evenly to skin, being careful to avoid direct eye area. Gently massage, rinse clean, and follow with Pore Therapy.

KEY INGREDIENT
2% Salicylic Acid

OBAGI360® TRANSFORMATIONAL PRODUCTS

The Obagi360 System is a complete approach to help defend and preserve youthful-looking skin.

Uniquely formulated to address the facial skin care needs of people in their 20s and 30s, the Obagi360 System provides a foundation for a lifetime of radiant, healthy-looking skin.

The Obagi360 System products are ideal for:

- Dull, uneven skin texture and complexion
- Appearance of minimal fine lines and wrinkles
- Visible pores
- Dry skin
- Loss of skin radiance and resilience

REAL RESULTS

After 4 weeks of use, patients were pleased with the system products:¹

- 89% would recommend the products to a friend
- 81% were satisfied with the overall results of the products

1. Data on file at Obagi Cosmeceuticals LLC.

OBAGI360 SYSTEM

Obagi360 System

The Obagi360 System is ideal for younger patients. A unique combination of effective ingredients provides early intervention for loss of radiance and feel of resilience; the appearance of fine lines and wrinkles; dull complexion and uneven texture; and dry skin.

- Exfoliating Cleanser (150 mL)
- HydraFactor Broad Spectrum SPF 30 (75 g)
- Retinol 0.5 (28 g)

Exfoliating Cleanser | 150 mL

Cleanser helps exfoliate dull, dry skin that can clog pores for a soft, smooth, radiant complexion.

AMOUNT: ½ GRAM USE DAILY: AM PM

Apply evenly to skin and gently massage for 30-45 seconds. Rinse thoroughly and follow with next recommended product.

KEY INGREDIENTS

Linked Papain, biodegradable wax beads

OBAGI360 PRODUCTS

HydraFactor® Broad Spectrum SPF 30 | 75 g

Dual function moisturizing cream with soothing ingredients and broad spectrum SPF 30 sun protection to help prevent skin damage caused by UVA/UVB rays.

USE DAILY: AM

Apply liberally and evenly to skin. Allow to absorb and follow with next recommended product.

KEY INGREDIENTS

Ethylhexyl Methoxycinnamate,
Ethylhexyl Salicylate

Retinol 0.5 | 28 g

Gradually releases retinol to gently refine the appearance of skin texture for a smoother-looking complexion.

AMOUNT: ½ GRAM USE DAILY: PM

Apply evenly to skin and feather onto neck. Allow to absorb and follow with an Obagi moisturizer if needed.

KEY INGREDIENTS

Entrapped Retinol, Shea Butter, Chamomile,
Dipotassium Glycyrrhizate (Licorice Extract),
Calendula Extract

ELASTIDERM® EYE PRODUCTS

For firmer, more resilient-looking eyes, refresh your skin’s appearance with ELASTIderm Eye products formulated with clinically proven ELASTIderm technology.

These products help reduce the appearance of fine lines and wrinkles; improve the feeling of elasticity and firmness; and promote smoother, tighter-looking skin.

ELASTIderm products are ideal for:

- Delicate skin around the eye area (eye cream and serum)
- Neck and Chest (facial serum)
- Lines and wrinkles
- Skin ageing
- Loss of firmness

“Elasticity really is the key. The look of my wrinkles is starting to disappear.”

ELLEN

ELASTIderm Eye Cream | 15 g

A light, smooth eye cream that helps revitalise the skin around eyes and rejuvenate appearance. Contains proprietary ingredients that are clinically proven to help reduce the appearance of eye area fine lines and wrinkles while providing a firmer, more-resilient look. Ophthalmologist tested.

AM PM

Apply small amount to upper and lower eye area, gently patting with ring finger.

KEY INGREDIENTS

Bi-mineral Complex (Copper + Zinc), Malonic Acid

ELASTIderm Eye Serum | 14 mL

Targeted eye serum that utilises a soothing, rollerball technology. Refreshes the appearance of the delicate skin around eyes with clinically proven ingredients, including caffeine, to reduce the appearance of under-eye puffiness. Ophthalmologist tested.

AM PM

Apply with gentle circles from outer to inner lower eye area, allow to absorb.

KEY INGREDIENTS

Bi-mineral Complex (Copper + Zinc), Malonic Acid, Caffeine

ELASTIderm Facial Serum | 30 mL

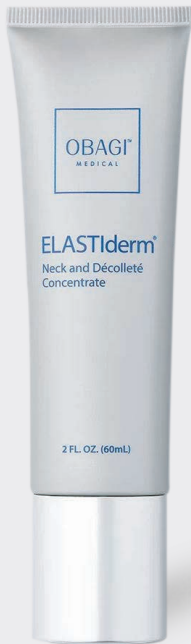

Supporting skin elasticity across the face, neck, and décolletage, so it can bounce back from the signs of skin ageing, resulting in firmer-looking, more resilient skin.

AM PM

Apply 2-3 pumps morning and evening to clean, dry skin. Avoid contact with eyes.

KEY INGREDIENTS

Bi-mineral Complex (Copper + Zinc), Malonic Acid

ELASTIderm Neck and Décolleté Concentrate | 60 mL

A lightweight, oil-free hydrator that replenishes hydration for 24 hours, revitalizes the moisture barrier, and supports overall skin health. Bi-Mineral Contour Complex™, Retinoid, and Alpha-Arbutin targets signs of aging for firmer, more resilient neck and décolleté skin.

AM PM

Apply serum twice daily after cleansing. During application, gently squeeze the tube to dispense a thin layer of serum while gliding along the skin. Tilt chin up and roll applicator over entire neck from the décolleté up to the jawline in an upward motion.

KEY INGREDIENTS

Bi-Mineral Contour Complex, Retinol Palmitate, Niacinamide, Alpha-Arbutin, Malonic Acid

OBAGI NU-CIL™

Reveal Revolutionary Lashes From Root to Tip.

Obagi Nu-Cil Eyelash Enhancing Serum with innovative NouriPlex™ technology that supports the appearance of fuller, denser, more voluminous-looking lashes with results that continue to build day after day.

NOURIPLEX TECHNOLOGY

- A proprietary blend of 4 key ingredients targeting the anagen phase to nourish and improve lashes.
 - Biotin: is known to support Keratin production to encourage the look of thicker, fuller lashes.
 - Proprietary Lipid Compound: targets the anagen phase of the lash cycle to provide thicker, fuller-looking lashes.
 - Sodium Hyaluronate nourishes lashes and provides moisture for more voluminous-looking lashes.
 - Panthenol: helps to hydrate, enhance shine and soften lashes.
- KEY BENEFITS**
- Luscious thicker and more defined looking lashes
 - Physician endorsed, ophthalmologist tested, 100% real lashes
 - Powered by NouriPlex™ Technology

*2022 12-week study. Data on file at Obagi Cosmeceuticals LLC

Obagi Nu-Cil Eyelash Enhancing Serum | 3ml

Supports fuller, denser, more voluminous lashes. An eyelash enhancing serum designed to target the growth phase of the lash cycle to support overall lash improvement. Powered by NouriPlex™ Technology, a unique blend of 4 key ingredients to nourish lashes for a more luscious, thicker, and defined appearance with results that continuously build day after day.

PM

Apply nightly, a thin layer to the base of the upper lash line. (Do not apply to the lower lid or any other areas)
Step 3: Wait 90 seconds for product to dry completely before applying another product to the skin.

Obagi Nu-Cil Eyebrow Boosting Serum | 5ml

Supportes fuller, thicker, darker eyebrows. Specially formulated to help address thinning, patchy, and over-tweezed brows. Obagi's NouriPlex™ Technology, a clinically-proven blend of ingredients shown to accentuate the healthy look of eyebrows to be fuller, denser, and darker in as little as 8 weeks, with more pronounced results in 12 weeks.*

PM

Apply nightly from the root of your eyebrow and follow the natural shape of your brow. Wait 90 seconds for the product to dry then continue your skincare routine.

KEY INGREDIENTS

NouriPlex Technology a unique combination of ingredients Biotin, Panthenol, Sodium Hyaluronate and a Proprietary Lipid Compound that targets the anagen phase of the hair cycle.

PROFESSIONAL-C® TARGETED PRODUCTS

Obagi’s Professional-C portfolio serves as your second line of defense from environmental assailants that sunscreens often miss.

Daily use helps to fortify skin and safeguard your youthful appearance. Formulated with pure L-ascorbic acid to optimize efficacy, permeability, and stability.

Professional-C is ideal for:

- Daily antioxidant defense
- Fine lines and wrinkles
- Dull, uneven skin tone and texture

“Obagi Professional-C Serum has worked a miracle. By using this product and having regular facials, I have much smoother and cleaner skin. Obagi-C has allowed my skin to glow again. I am asked on a daily basis if I received a facial today. This is a fabulous product.”

LANA

Professional-C Serum 10% 30 mL Concentrated formula recommended for dry, irritated, or sensitive skin. AMOUNT: 5-7 DROPS AM Dispense 5-7 drops and apply evenly to freshly cleansed and toned skin. KEY INGREDIENT L-ascorbic Acid	Professional-C Serum 15% 30 mL Highly concentrated serum with antioxidant L-ascorbic acid for most skin types. Helps minimise the appearance of fine lines and wrinkles while leaving your skin feeling silky soft. AMOUNT: 5-7 DROPS AM Dispense 5-7 drops and apply evenly to freshly cleansed and toned skin. KEY INGREDIENT L-ascorbic Acid	Professional-C Serum 20% 30 mL Highest concentrated serum with antioxidant L-ascorbic acid, best suited for normal to oily skin. Uniquely formulated to help reduce the appearance of skin ageing and leave skin feeling silky soft. AMOUNT: 5-7 DROPS AM Dispense 5-7 drops and apply evenly to freshly cleansed and toned skin. KEY INGREDIENT L-ascorbic Acid	Professional-C Microdermabrasion Polish + Mask 80 g This 2-in-1 polishing mask exfoliates and primes skin for a powerful infusion of 30% vitamin C, revealing dramatically smoother, brighter, more youthful-looking skin. AMOUNT: PEA-SIZE 2-3 x WEEKLY Whip the product to a smooth cream. Sweep onto freshly cleansed, damp skin. Allow to absorb 5-10 minutes, wipe off with soft cloth. Cleanse thoroughly. KEY INGREDIENT L-ascorbic Acid
--	---	--	---

Provide instant and long-lasting hydration for essential moisturisation and rejuvenation day or night.

These dermatologist-tested moisturizers are hypoallergenic, gentle, and designed for a variety of skin types to help enhance skin smoothness.

REAL RESULTS

- Obagi Hydrate and Hydrate Luxe moisturizers are clinically shown to improve the moisture content of the skin and provide hydration for up to eight hours¹
- Obagi Hydrate facial moisturizer is clinically proven to reduce moisture loss in the skin for up to eight hours¹
- According to a consumer survey, a majority of users reported improvements in the appearance of fine lines, firmness, skin texture, skin radiance, and hydration from using Hydrate Luxe¹

1. Data on file at Obagi Cosmeceuticals LLC.

Hydrate Light® | 50 ml

A lightweight hydrator clinically-proven to replenish hydration for 24 hours that is oil-free, non-comedogenic, hypoallergenic, and revitalises the skin’s moisture barrier for overall skin health.

AMOUNT: 1/2 PUMPS AM PM

Apply 1-2 pumps to face, neck, and chest as needed after other products and prior to sunscreen as part of your morning routine. At night, this can be used as the final step in your routine.

KEY INGREDIENTS

Hydromanil (derived from Tara Tree Seed), Polyglutamic Acid, Niacinamide, Wine Ferment, Glycerin

Obagi Hydrate | 48 g

Non-comedogenic facial moisturizer that is clinically proven to hydrate and maintain skin moisture for eight hours and is designed for all skin types.

AMOUNT: 1 PUMP AM PM

Apply a pea-sized amount to face, neck, and chest as needed after other products and prior to sunscreen as part of your morning routine. At night, use as the final step in your routine.

KEY INGREDIENTS

Hydromanil (derived from Tara Tree Seed), Shea Butter, Mango Butter, Avocado Oil, Glycerin

Obagi Hydrate Luxe® | 48 g

Specifically engineered with key biomimetic peptides, this non-comedogenic moisturizer provides overnight, ultrarich moisturization and has a luxurious, balm-like texture.

AMOUNT: 1 PUMP PM

Apply a pea-sized amount to face, neck, and chest as needed after other products and prior to sunscreen as part of your morning routine. At night, use as the final step in your routine.

KEY INGREDIENTS

Hydromanil (derived from Tara Tree Seed), Chronoline, Kollaren, Shea Butter, Mango Butter, Avocado Oil, Glycerin

Rebalance Skin Barrier Recovery Cream | 48 g

Formulated with BarrierPlex™ Technology – an innovative, proprietary blend of postbiotics, hydrating agents, and soothing ingredients that help restore and rebalance the skin's microbiome.

AMOUNT: 2/4 PUMPS AM PM

Apply 2-4 pumps to face, neck, and chest as needed after other products and prior to sunscreen as part of your morning routine. At night, this can be used as the final step in your routine. This product can also be used underneath the hydrate range.

KEY INGREDIENTS

Postbiotics, Green Algae, Ceramides, Niacinamide.

1. Data on file at Obagi Cosmeceuticals LLC.

Instant efficacy for a “pick-me-up” from a dull, lackluster complexion.

Daily Hydro-Drops is rich in antioxidants, harnessing the purest forms of vitamin B3, abyssinian oil, and hibiscus oil within Isoplentix™ Technology to support the essential components of the skin’s natural barrier that normally deplete over time.

REAL RESULTS

TESTING SHOWS THAT:

- 91% of users said skin felt smoother after first use.
- 84% of users said skin felt refreshed with first use.

1. Data on file at Obagi Cosmeceuticals LLC.

Daily Hydro-Drops | 30 mL

Harnesses vitamin B3 and hibiscus oil to support the skin’s natural barrier, providing hydration all day while diminishing the appearance of fine lines and wrinkles.

AMOUNT: 1 PUMP AM PM

Dispense 1 pump onto hands and apply evenly to freshly cleansed and toned skin, and follow with moisturizer.

KEY INGREDIENTS

Abyssinian Oil, Hibiscus Oil, Vitamin B3

Rejuvenating Eye Gel Cream | 15 mL

This targeted solution is formulated with clinically proven ingredients to help visibly reduce the appearance of under-eye puffiness, dark circles, and fine lines while providing lasting hydration for the delicate skin around the eyes. The cooling applicator helps smooth under-eye puffiness promoting a more awake and rejuvenated appearance.

AMOUNT: 1 PUMP AM PM

Dispense one pump of product for both eyes and dot around eye area. Massage in with the cooling applicator tip. Gently pat in excess product with fingers. This product can be used with ELASTIderm eye products, and should be used as the final step.

KEY INGREDIENTS

Hibiscus Oil, Abyssinian Oil, Tuberose, Niacinamide.

BLUE PEEL PRODUCTS

In-office, superficial to medium-depth facial chemical peel procedures performed by professionally trained specialists to help reveal younger, healthier-looking skin one layer at a time.

Blue Peel products are ideal for:

- Fine lines and wrinkles
- Rough, uneven skin
- Acne-prone skin
- Mild to moderate photoaging

FOR PROFESSIONAL USE ONLY

Blue Peel RADIANCE® AND PREP SOLUTION

FOR PROFESSIONAL USE ONLY

Quick, superficial salicylic acid-based facial chemical peel that exfoliates and helps improve overall complexion, providing smoother, firmer, brighter-looking skin after just 1 use. A series of 4 to 6 peels provides best overall results.

KEY INGREDIENTS

20% Salicylic Acid, Lactic Acid[‡], Glycolic Acid[‡]

[‡] **Sunburn Alert:** This product contains an alpha hydroxy acid (AHA) that may increase your skin's sensitivity to the sun and particularly the possibility of sunburn. Use a sunscreen, wear protective clothing, and limit sun exposure while using this product and for a week afterward.

SKINTRINSIQ

NOT JUST ANOTHER DEVICE—AN OBAGI DEVICE

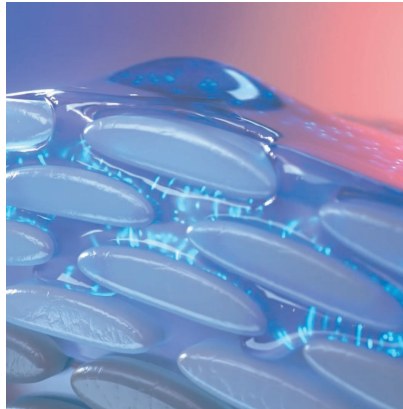

INFUSE OBAGI POWER

Introducing the first professional-use device designed by Obagi.
Powered by innovative technology, the Skintrinsiq device extracts impurities, then infuses proven Obagi skincare products exactly where they're needed most. Accelerating transformations to take Obagi skincare results to the next level, with optional, red or blue, LED light therapy.

Included protocols:

- Antioxidant - infusing Professional-C Serum
- Brightening - infusing Obagi Nu-Derm Clear Fx
- Clarifying - infusing Obagi Retinol
- Firming - infusing ELASTIderm Facial Serum

Plus, enhanced results when used in combination with Obagi Blue Peel RADIANCE Facial Peel
