'There are so many negative stories out there about me, but they couldn't be further from the truth,' says Lauren

skincare regimen called Obagi-C Rx System [which targets signs of ageing and sun damage] for maximum results in the shortest amount of time. I've only been doing it for a few weeks, but I've already noticed a change.

worked hard to look like this and I wanted to show it off.

Are there any parts of your body that you're focusing on at the moment?

To try and get my skin looking good, I've been following a 12-week program called Bare Faced By Summer Skin Transformation at Dr Leah Totton's cosmetic skin clinics in London. I'm a big sun worshipper so it's helping to get rid of any sun damage and also improves scarring and evens my skintone.

What does the program involve?

I'm having one laser treatment every month for three months, and I've also been using a

skincare regimen called Obagi-C Rx System [which targets signs of ageing and sun damage] for maximum results in the shortest amount of time. I've only been doing it for a few weeks, but I've already noticed a change.

Was your skin affecting your confidence?

People tell me I have lovely skin, but when I look in the mirror I don't see that. All women have their own hang-ups and my skin is one of mine. I'd love to be able to walk around in the summer with no make-up on and feel confident. I want to look at my reflection and look more fresh and natural. I'm 30 now so it feels like the right time to start taking care of my skin. **OK!**
